### Description

Pavtek Part # AF98-2045

Makes lifting your engine into your car a breeze

Aeroflow's Engine Lift plates allow you to lift your engine up by its intake manifold for easier manoeuvring. You can also use them as a manifold cover when you store your engine. These Aeroflow zinc plated engine lift plates is designed to fit standard Holley 4150/4160 and Dominator, Rochester Quadrajet, Carter bolt patterns.
